Well, I spent some time this morning looking, but I haven't been able to find a city map that shows city lots or blocks in this area. Bummer!

Hi Lance,  
The attached map includes two new parcels that belong to Falcon Oil. I just overlooked the descriptions the other day. I've gone through all of the deeds again, and all of the descriptions are accounted for except the one I mentioned on the phone:

Warranty Deed 04-11200, (b) (6) to (b) (6), 2004

"Lots 18 through 21, inclusive, Block 24, original town, now City of Bristow, OK."

I'll help look more tomorrow for a city plat that Google might be hiding. Ha!

Have a good evening!  
Melody
